

Pirate Love

The D4

You gotta walk that walk
You gotta talk that talk
You gotta be that girl
In the toughened world
Come , now cut me so fast

Pirate Love
What you're looking for
Pirate Love
What I'm wanted for
I never needed it so bad

The crowd's runnin' cold
Ain't it ?
The mommies are praying
Little girls sayin' no
The big girls always want more

Pirate Love
What you're looking for
Pirate Love
What I'm wanted for
I never needed it so bad
Hey , oh !

Well , I'm locked in all these battles
Everybody seems so cruel
I can't tell them who's who
With a bag of voodoo

Pirate Love
What you're looking for
Pirate Love
What I'm wanted for
I never needed it so fast

Fast
Fast
Yeah
Pirate Love (8x)

Pirate Love
What you're looking for
Pirate Love
What I'm wanted for
I never needed it so bad !
