

# Looking At You (Live)

The Damned

When it happened  
Something Snapped inside me  
Made me wanna hide  
All alone on my own, all alone on my own  
I stood up on the stand my eyes shut tight  
Didn't wanna see anybody  
Feeling alright, having a good time  
Doing alright, doing alright  
Doing alright, doing alright

I saw into the dancing crowd  
Felt like screaming out loud  
I saw you standing there  
Saw your long, your long hair

Opened up my eyes baby  
You made me realise what I wanna do now  
All I wanna do now babe is look at you  
Looking at you babe, looking at you  
Looking at you, looking at you baby  
You baby  
You baby  
You baby  
You baby  
You baby  
You baby  
Yeah yeah

I saw into the dancing crowd  
Felt like screaming out loud  
I saw you standing there  
Saw your long, your long hair

Opened up my eyes baby  
You made me realise what I wanna do now  
All I wanna do now babe is look at you  
Looking at you babe, looking at you  
Looking at you, looking at you baby  
You baby  
You baby  
You baby  
You baby  
You baby  
You baby  
You baby  
You baby  
You baby  
You baby
