

Second Time Around

The Damned

I remember what you said, second time around
Don't you wish that we were dead, second time around

No more getting pushed around, second time around
Now that we've gone underground, second time around,

Now it's time for you to see, second time around,
What your love so did for me, second time around,

Really famous stinking rich, second time around,
Straight up there without a hitch, second time around,

I remember what you said, second time around
Don't you wish that we were dead, second time around

No more getting pushed around, second time around,
Back to haunt you with our sound, second time around.
