

## There Ain't No Sanity Clause (remix)

The Damned

Happy Talkin Captains' tutu's too tight  
Means there'll be no more snookering you tonight  
P just looks bemused to be on foreign Shores -  
AH HA There ain't no Sanity Clause (4x)  
[Chorus]

Vanians got a visit from a guy named Drac  
Says he's from the bloodbank wants his 10 pints back  
Singers rather sickly when it rains it pours -  
Oh no, there ain't no Sanity Clause (4x)  
[Chorus]

Did you expect that I would believe  
the tale you told last Xmas eve  
About the man that man is fat and round  
Delivers gifts without a sound

[Solo]

[Chorus]

Monty Oxy Moron's Mozart on natural gas  
Always playing symphonies out of his ass  
Pinch's about to get tied up with Las Vegas laws,  
Oh No, there ain't no Sanity Clause

Ho Ho Ho etc
