

Way Down

The Dangerous Summer

If it was up to me, I wouldn't cut my hair
It's been a year since I moved out
Take the money, take the memories
Try to build around the future

Everything that I own fits in a suitcase
Everything that I own fits in my car
And now I'm driving around
'Cause I don't know where the hell I'm gonna go

'Cause when I fall, I wanna fall way down
And when I drown, I wanna drown to death
'Cause when I fall, I wanna fall way down
And when I drown, I wanna drown to death

I wanna drink the lights out of this bar
And watch the sun come out in Nashville
Take a bump, then drive your car
And feel the morning start to blossom

Is it everything I ever wanted?
Fuck, I never knew that summer started
'Cause here we go again
Yeah here we go again

'Cause when I fall, I wanna fall way down
And when I drown, I wanna drown to death
'Cause when I fall, I wanna fall way down
And when I drown, I wanna drown to death

'Cause when I fall, I wanna fall way down
And when I drown, I wanna drown to death
'Cause when I fall, I wanna fall way down
And when I drown, I wanna drown to death

I wanna drown to death
I wanna drown to death
I wanna drown to death
