

Maximum Heartbreak

The Datsuns

Well I know there's no master plan
So I'm gonna talk it up while I can
In the mirror, in the mirror
Smoke and mirrors
Artful deception or call it deceit
I got a bark like a kick in the teeth
In the mirror, in the mirror
Smoke and mirrors

Girl it seems you your sight set on
Heartbreak, Heartbreak honey yeah
Oh it hurts cause you all fell for it
You're set right on
Maximum heartbreak, heartbreak, heartbreak, heartbreak

All reflection to get a reaction
All part of the main distraction and
Mirrors, mirrors
Smoke and mirrors
What image do you want to believe?
In the mirror, in the mirror
Smoke and mirrors
