

Am I To Be The One

The Dead Brothers

Am I to be the one
To hold you back
And make you come my way?

I know
I'm the only one to do what's to be done

Am I to be the one
To hold you back
And make you see my way?

I know
I'm the only one, again, to do what's to be done

Well I know (I know)
It's real (it's real)
I hope
I'll always be the one
To hide, to hold
I'll always be the one

Am I to be the one
To hold you back
And make you come my way?

I know
I'm the only one to do what's to be done

Am I to be the one
To hold you back
And make you come my way?

I know
I'm the only one, again, to do what's to be done

Well I know (I know)
It's real (it's real)
I hope
I'll always be the one
To hide, to hold
I'll always be the one
