

## Closer to You

The Dead Brothers

I`m not from here  
Oh, can`t you hear  
That I`m knocking  
That I`m knocking  
So let me in  
Oh, let me in  
Well it's too late  
It`s too late, anyway  
Cause I`m already there  
Sitting at your table  
Sitting in your chair  
Talking to your daughter  
Talking to your wife  
I`m taking your daughter  
Open it for life

Do you mind?  
Tell me do you mind?  
Cause I can`t think  
No, I can`t think  
of a better way  
of a better way  
of getting  
of getting  
of getting  
of getting...

Closer to you  
Closer to you  
Closer to you  
I wanna be closer to you  
Let me be closer to you  
I wanna be closer to you  
Closer to you  
Closer to you

I wanna be like you  
I wanna smell like you  
I wanna act like you  
I wanna talk like you  
I wanna sound like you  
I wanna sing like you  
I wanna be just like you  
So let me get closer to you

Do you mind?  
Oh, do you mind?  
Cause I can`t think  
No, I can`t think  
of a better way  
of a better way  
of getting  
of getting  
of getting  
of getting...

Closer to you

Closer to you  
Closer to you  
I wanna be closer to you  
Let me be closer to you  
I wanna be closer to you  
Closer to you  
Closer to you  
Closer to you  
Closer to you  
Closer to you  
Closer to you, you, you...  
Let me be closer to you
