

# I Am All I Got

## The Dead Brothers

I remember the day  
when I cried out for help  
no one came running  
and that's when I first knew  
I am all I got!

Went to the wise man  
but no answer he could give

I went to the kind man  
he shrugged his shoulders and wept

You are all you got!

I went to the saint  
but he was busy praying

I payed a visit to the sinner  
but he said "brother, don't even bother"

You are all you got!

I went to see my mother  
but she was busy dying  
I went to my father's grave  
but he was really dust

Yes I m all I got!

So forgive pretty darling  
but I m all I got

believe it or not  
love will save us not  
I am all I got  
I am all i got!

There might come a day  
when the lord will embrace me  
so son get on your knees and pray  
I am all you got  
but until that day  
I am all I got!
