

Girls Of Valour

The Delgados

Daybreak comes late, batters down your soul
These days you crave nothing that you own
You don't feel like moving from your room
And all your friends are still too cool

Come on, fight on, now is not the end
These days we must act but not pretend
I can't turn all your land into gold
All your friends will then seem old

If you change your mind you will find everything inside our wor
lds collide
If you change your mind you will find everything inside your wo
rld collides
Rouse up now, you girls of valour, let's go out and fight forev
er
Rouse up now, you girl of valour, let's go out and fight foreve

Come on, what you must do is believe
These days you'll find friends you get for free
Daybreak comes late, send it all your way
And all the roads go on and on

If you change your mind you will find everything inside our wor
lds collide
If you change your mind you will find everything inside your wo
rld collides
Rouse up now, you girls of valour, let's go out and fight forev

Rouse up now, you girl of valour, let's go out and fight foreve
