

# Ballad Of The Chicken Robber

The Derek Trucks Band

Pistol's in the piss pot  
Rooster's in the pie  
All I need you to do for me  
Is remember this alibi  
Just remember

Sixty-nine in Chino  
I didn't mean to shoot no dog  
I worked alone, I'm a broken soul  
Come down-state for a job  
For a job

Come on Miss Lorena  
I love to hear you sing  
Pass me a wing

Run from Sacramento  
Run from all I got  
So we were drunk on 'bama Curtis  
When they rolled that chicken lot  
When they rolled that lot
