

## Like A Drug

### The Desert Sessions

Since you're gone, I sat at home  
Wonder why no I'll never be free  
But the thought of you  
Goin' with another guy  
No, it could never be me  
You took a ring and pawned our love away  
What can I say, I am left behind  
So I take a drink, another cigarette  
I can't forget that you once were mine

What can I say?  
I guess it wasn't meant to be  
Now you're gone,  
It's just, your love is like a drug

It's been so long  
Your folks have bet you gone  
I know that you're alive inside  
So I hope and pray you won't throw this love away  
I just wish that you still were mine
