Like A Drug

The Desert Sessions

Since you're gone, I sat at home Wonder why no I'll never be free But the thought of you Goin' with another guy No, it could never be me You took a ring and pawned our love away What can I say, I am left behind So I take a drink, another cigarette I can't forget that you once were mine

What can I say? I guess it wasn't meant to be Now you're gone, It's just, your love is like a drug

It's been so long Your folks have bet you gone I know that you're alive inside So I hope and pray you won't throw this love away I just wish that you still were mine
