## **Rickshaw**

Oooh you

## The Desert Sessions

```
Don't plan on marrying baby
I'll get you what you need
Not too far to go on
Not too far to bleed

You can ask for pims in your head
You can ask for symmetrical planning
You can ask for tortuous membrane
You can ask for orange juice frozen
```

You can ask for any old woman You can ask for an army of ants You can ask for a pillar of poison You can ask for sheep and shavers

And you can die for Be careful what you wish for Be careful what you wish for
