

Deep Down

Devil Makes Three

Deep in my heart
Deep in my heart
Deep in my heart
I'm a terrible man
Deep in my heart
Deep down in my heart
I know what I am

I'm a local leader
I pay my parking meter
I know everybody in this town
I am your neighbor
And I have labored
And all my work here you can ask around

But deep in my heart
Deep in my heart
Deep in my heart
I'm a terrible man
Deep in my heart
Deep down in my heart
I know what I am

I'm at church on Sunday
Work on Monday
Tuesday I got Friday on my mind
Got a dollar to lend
An hour to spend
For my friends I've always got the time

Deep in my heart
Deep in my heart
Deep in my heart
I'm a terrible man
Deep in my heart
Deep down in my heart
I know what I am

Deep down
Deep down
Deep down
Deep down
Deep down (Deep down inside)
Deep down (Deep at the roots)
Deep down (Behind my eyes)
Deep down (Under the sea)
Deep down (Deep in my heart)
Deep down (Deep in my heart)
Deep down (Deep in my heart)
Deep down (Deep in my heart)
Deep down

Deep in my heart
Deep in my heart
Deep in my heart
I'm a terrible man
Deep in my heart

Know what I am
Deep in my heart
I'm a terrible man
I know what I am
