

I'm Gonna Get High

Devil Makes Three

I'm gonna get high
And it ain't no lie
Swing along and have a ball
I'm gonna get high

Oh me, oh my
Nobody know why
Oh my baby, don't you cry
I'm gonna get high

Ain't no need if no one tryin' to shame me
What I've stayed I've got and who could blame me
Oh yeah

I'm gonna get high
I'll do it or die
Swing along and have a ball
I'm gonna get high

I'm gonna get high
And it ain't no lie
Swing along and have a ball
I'm gonna get high

Oh me, oh my
Nobody know why
Oh my baby, don't you cry
I'm gonna get high

Ain't no need if no one tryin' to shame me
What I've stayed I've got and who could blame me
Oh yeah

I'm gonna get high
I'll do it or die
Swing along and have a ball
I'm gonna get high

I'm gonna get high
I'll do it or die
Swing along and have a ball
I'm gonna get high
Swing along and have a ball
I'm gonna get high
Swing along and have a ball
I'm gonna get high
