

# Song Of The Dawn

The Dickies

Wake from your sleep all you weary ones  
Who are leary of the night  
Look to the east all you dreary ones  
Who are waiting for the light

Dawn is breaking and a new day is born  
The world is singing the song of the dawn  
Birds are singing  
Hear them welcome the morn  
They're sweetly singing the song of the dawn

Yesterday the sky was grey  
Look this morning they're blue  
The smiling sun tells everyone  
Come and start life anew

Sing hallelujah  
For the dark night is gone  
The world is singing the song of the dawn  
Sing hallelujah  
For the dark night is gone  
The world is singing the song of the dawn
