Unconscious Power

we all want to prepare you the unbelievable is going to happen it will linger in your mind forever let this carry you wherever - wherever

triggering the unconscious power

removing all your inhibitions releasing complete freedom of thought sensations of every sense will prevail with this you will see every thing

triggering the unconscious power

triggering the unconscious power

i say to you
nothing for now
oh, now we know all
we know all
we know all
we know all

The Dickies
