

(I Live For) Cars and Girls

The Dictators

Well I'm the type of guy who's into getting high on a Friday afternoon
So now you know I'm a regular Joe and I'll tell you what I like to do

I like to make the scene
In my machine
I like to make the scene
I leave 'em in another state
Whenever I accelerate

I live for Cars and girls, cars and girls
I live for Car, cars and girls
I live for Cars and girls, cars and girls
I live for Car, cars and girls

There's nothing else in this crazy world
Except for cars and girls

I got a lot of good sittin under my hood but it doesn't make me feel alright
The only time I'm feelin fine is when my baby's sittin tight

I like to get it down
I like to feel the sound
I like to get it down
I leave 'em in another state
Whenever I accelerate

I live for Cars and girls, cars and girls
I live for Car, cars and girls
I live for Cars and girls, cars and girls
I live for Car, cars and girls

There's nothing else in this crazy world

Baby you and me will go
A cruisin everywhere we know
We'll take a trip out to the west
Cause the coast's the most
'cause the surfin's best

The fastest car and a movie star are my only goals in life
It's the hippest scene, the American dream and for that I'll always fight

I like to get it down
I like to feel the sound
I like to get it down
I wanna drive the fastest car
I wanna drive the fastest car
I wanna drive the fastest car
Cars, girls, surfin beer
Nothin else matter here

I live for Cars and girls, cars and girls
I live for Car, cars and girls
I live for Cars and girls, cars and girls
I live for Car, cars and girls

There's nothing else in this goddamn world

Except for cars and girls
