

The Party Starts Now

The Dictators

Stop that whining
Cause you had a bad day
If you lost some weight
You might get laid

Can't take livin nine to five
Can't find a reason to come alive
C'mon baby let me show you how
C'mon baby ... The Party Starts Now!

So you spent your money
But you're unfulfilled
Tell me what's so funny
About the thrills that kill

Can't take livin nine to five
Can't find a reason to come alive
C'mon baby let me show you how
C'mon baby ... The Party Starts Now!
