I wonder why I wasted all of my time
I could've been, I could've been there with you
Wonder why I even try girl
Cause there's just nothin, nothin I can do
Nowhere that I can go, no
Nothin that I can say girl, that's gonna take the pain away

This time I feel like dyin, feels like I'm dead within Sometimes I wish I was, girl, so I could hold you, again

Build your castle in the sky, now no one can tell you lies, Heaven's not so far if I can see you in my dreams
When I feel my time is near, I won't be sad cause you'll be the re

I know you're right there waiting for me, yeah, yeah, yeah

It's hard to make it on my own
I need your love girl, so much more than I'd ever known
Sometimes it's hard to breathe
Sometimes it hurts so bad, girl, that I just fall to my knees.
