

Invincible

The Dirty Youth

Overtime
You've lost yourself
Stored emotions on the shelf
In your absence
I've changed my ways
I won't lie to you, lie to you, lie to you

Can't stop my world 'cause it keeps turning
I've lost my faith in everything you are
Rescue me

Shout out
It will be alright
You know that you're invincible tonight
I'm down on my knees
I'm begging you please don't let go
Let go of me

Don't say you understand me
You've never been there
Discuss behind my back how you can't take no more
In your absence
I've changed my ways
I won't lie for you, lie for you, lie for you

Can't stop my world 'cause it keeps turning
I've lost my faith in everything you are
Rescue me

Shout out
It will be alright
You know that you're invincible tonight
I'm down on my knees
I'm begging you please don't let go
Let go of me

Woah, woah, woah
Woah, woah, woah

Shout out
Shout out
You know that you're invincible tonight
Shout out
Shout out
You know that you're invincible
