

# I Wanna Be with a Girl Like You

The Donnas

I wanna be with a girl like you  
I said, I wanna be with a girl like you

My friends said you're a pest  
But I wanna be with a girl like you

I wanna go wherever you go  
It's ok, my folks don't need to know

I don't care if you don't wear underwear  
'Cause I wanna be with a girl like you

And you're the toughest girl in the school  
And my mama's afraid of you

I wanna be with a girl like you  
I said, I wanna be with a girl like you  
Like you
