

Life In A Northern Town

The Dream Academy

A Salvation Army Band played
And Children drunk lemonade
And the morning lasted all day,
All day
And through an open window came
Like Sinatra in a younger day,
Pushing the town away
Ah

Ah hey ma ma ma
Life in a northern town.

They sat on the stoney ground
And he took out a cigarette out
And everyone else came down
To listen.
He said "In winter 1963
It felt like the world would freeze
With John F. Kennedy
And The Beatles."

Ah hey ma ma ma
Life in a northern town.
Ah hey ma ma ma
All the work shut down.

The evening had turned to rain
Watch the water roll down the drain,
As we followed him down
To the station
And though he never would wave goodbye,
You could see it written in his eyes
As the train pulled out of sight
Bye-bye

Ah hey ma ma ma
Life in a northern town.
Ah hey ma ma ma
Life in a northern town.
