

She Needs My Love

The-Dream

Shawty need my love sh sh shawty need my love dog U seen her walkin t
hru eheheh
Hartfield International heehhehe
On her way too see me (ahhh)
Shes far from the girl that you used too know
Flawsin' keys too your phantom and you know that she's my girl
Still you try too get at her but she push the brakes on that shit lik
e eerrww
And I don't blame u cause god the girl look good she said she couldn
t even if she could.

She needs my love she said I'm like the air and without me she'll die
If it ain't my love you better have a doctor on standby
She needs my love she said I'm like the air and without me she'll die
If it ain't my love you better have a doctor on standby

Shawty need my love sh sh shawty need my love dog
You seen us walkin thru the cluuub
Little fendi skirt lettin' them panties show ow
She grindin on me (meee) I see you tryin' too flirt with her on the l
ow (what)
Flawsin keys too your rover boy you know that that's my girl
I left and you made your way over but she push the brakes on that shi
t like eerrww
And I can't blame u cause goddamn the girl is fine she said she can't
beacause shes mine mine mine

She needs my love she said I'm like the air and without me she'll die
If it ain't my love you better have a doctor on standby
She needs my love she said I'm like the air and without me she'll die
If it ain't my love you better have a doctor on standby

Shawty need my love sh sh shawty need my love dog
(yezur)

From the look of my wardrobe I can see why you mad though
See me up in bankhead chillin with a bad hoe
Tell oprah I'm sorry I really ment too say bad though
She keep them thongs ch ch ch chewin' on her asshole
I'm all up on her ass though runnin it like a cash flow
I'm still hood even though my bankaccount upperclass hoe
We 3 minutes in too the song but still nigga u mad though
But nah he skwinchin' from my wrist cause my wrist got the mad glow

She needs my love she sayd I'm like the air and without me shel die
If it ain't my love u better have a doctor on standby
She needs my love she sayd I'm like the air and without me shel die
If it ain't my love u better have a doctor on standby
Call 9-1-1 if my love ain't there
Call 9-1-1 tell paramedics 2 bring her air

She needs my love you

Better have a doctor on standby
