

Deep In My Heart

The Drums

I know I supposed to forget you
but I don't know how
And I know I supposed to forget you
somebody tell me how

'Cause I've seen everyone
I've seen everyone
I've seen everyone
And you're not everyone

I buried you deep in my heart
I buried you deep in my heart
I buried you deep in my heart
I buried you deep in my heart

It takes everything in me
To make you happy
You take what I have to give
'Till I feel empty
And I'll keep coming back to be with you
Like the morning sun

Cause I've seen everyone
I've seen everyone
I've seen everyone
And you're not everyone

I buried you deep in my heart
I buried you deep in my heart
I buried you deep in my heart
I buried you deep in my heart...

Cause I've seen everyone
I've seen everyone
I've seen everyone
And you're not everyone...
