

I Don't Want to Go Alone

The Drums

The javascript: T_save(2);dream you told me
Well I usually get bored
But this one I can't ignore
And oh
If I was on my death bed
Well, would you leave me
Walk out the door

I don't want to go alone
I don't want to go alone

I guess if I think about it
I've had the same fear all my life
And loving you can take
Won't make anything different in my world

I don't want to go alone
I don't want to go alone
