```
Baby, I know you hate me so
I gave you everything, why do you hate me so?
I don't feel sorry when you cry
I don't believe you when you lie
Because your eyes are always saying goodbye
Saying goodbye
Baby, you took my soul
I gave you everything, what did you give my soul?
I don't feel sorry when you cry
I don't believe you when you lie
Because your eyes are always saying goodbye
Saying goodbye
It will all end in tears
I don't feel sorry when you cry
I don't believe you when you lie
Because your eyes are always saying goodbye
Saying goodbye
It will all end in tears
```
