

Don't Wait

The Duke Spirit

Time changes every idea I've ever had
Oh, such a heavy love, rolls out like a blanket
Why must it fold up on me?
Why must it fold up on me?

Slow replies when I'm hungry enough to give
Lust is thrown around my room
I better get out? of here
You can lead me on all of the way home
You can lead me on all of the way home

Don't wait, don't wait,? don't wait for too long,
Don't say, don't say, don't say a word
Don't wait, don't wait,? don't wait for too long,
Don't say, don't say, don't say a word

You drugged my will with a broad acre smile
Who gave permission to drive me this wild?
Oh, the longing is always so so
Oh, the longing is always so so

Don't wait, don't wait,? don't wait for too long,
Don't say, don't say, don't say a word
Don't wait, don't wait,? don't wait for too long,
Don't say, don't say, don't say a word
Don't wait, don't you wait,? don't wait for too long,
Don't say, don't say, don't say that we should

Ride on until you feel you belong
Ride on and on and on
Ride, ride on until you feel you belong
Ride, ride on and on and on
Ride, ride on until you feel you belong
Ride, ride on and on and on
