I Get Along Without You Very Well

The Durutti Column

I get along without you very well, of course, I do.

Except when soft rains fall and drips from leaves, then I recall the thrill of being sheltered in your arms, of course, I do.

But I get along without you very well.

I've forgotten you just like I should, of course, I have.

Except to hear your name, or someone's laugh that is the same.

But I've forgotten you just like I should

What a guy, what a fool am I
to think, my breaking heart could kid the moon.
What's in store?
Should I phone once more?
No, it's best that I stick to my tune.

I get along without you very well, of course, I do.
Except perhaps in spring, but I should never think of spring, for that would surely break my heart in two.
