

## Tomorrow

The Durutti Column

All I wanted was your time  
All you ever gave me was tomorrow  
All I wanted was your time  
All you ever gave me was tomorrow  
And tomorrow never comes  
Tomorrow never comes  
Tomorrow never comes  
Tomorrow never comes  
People stood in a line with flowers  
They were only waiting for the moment  
And I know the feeling so well  
I've been waiting for you for so long  
And I know the feeling so well  
I've been waiting for you for so long
