

Easy as Can Be

The Easybeats

Love you in the morning, love you all through the night
Should I love you in the morning, love you all through the night

t

I don't know why I ever let you go

'Cause all the time I knew that I loved you so

And I need a little bit of lovin'

Need a little a little bit of kissin'

I need a little bit of lovin'

Love you all day and night!

It's as easy as can be (Easy, easy, easy, easy)

Oh, easy as can be (Easy, easy, easy, easy)

I-it's, easy as can be (Easy, easy, easy, easy)

Yeah, it's easy as can be (Easy, easy, easy, easy)

Love you in the morning, love you all through the night
Should I love you in the morning, love you all through the night

t

I don't know why I ever let you go

'Cause all the time I knew that I loved you so

And I need a little bit of lovin'

Need a little bit of kissin'

I need a little bit of lovin'

Love you all day and night!

I-it's as easy as can be (Easy, easy, easy, easy)

Oh, easy as can be (Easy, easy, easy, easy)

It's easy as can be (Easy, easy, easy, easy)

Oh, easy as can be (Easy, easy, easy, easy)

Easy as can be (Easy, easy, easy, easy)

I-it's as easy as can be (Easy, easy, easy, easy)

Oh, easy as can be (Easy, easy, easy, easy)
