

Hey Babe

The Easybeats

Hey! Hey! Hey! Hey! Hey! Hey! Hey!

Hey babe, I'll tell you something
Yeah, I think you ought to know
Hey babe, I'll tell you something
I'll never let you go

A-'cause you and your lies and your cheatin' eyes
Have me by your side

Hey, hey babe, I'll tell you something
I think you want to know
Hey babe, I'll tell you something
I'll never let you go

You and your lies and your cheatin' eyes
Have me by your side

With me by your side
And your eyes are bright
I'll never let you go

Hey! Hey! Hey! Hey! Hey! Hey! Hey!

He-ey babe, tell you something
Think you ought to know
Hey babe, tell you something
I'll never let you go

You and your lies and your cheatin' eyes
Have me by your side

With me by your side
And your eyes are bright
I'll never let you go

Hey! Hey! Hey! Hey! Hey! Hey! Hey!

He-ey, babe, tell you something
I think you ought to know
He-ey babe, tell you something
I'll never let you go

You and your lies and your cheatin' eyes
Me by your side I'll go

Hey! Hey! Hey! Hey! Hey! Hey! Hey!
Hey, hey...
