

Today

The Easybeats

You say you love me
Say you're gonna treat me right
You say you miss me
Say you're gonna hold me tight

You know I love
You know I do
Come on, baby, what's wrong with you?

Today
Today

You say you love me
Say you're gonna treat me right
You say you miss me
Say you're gonna hold me tight

You know I love
You know I do
Come on, baby, what's wrong with you?

Today
Today

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

You know I love you
How come you change your mind?
You know I love you
How come your love is blind?

You know I love
You know I do
Just like you want it, you just do
