

# What Do You Want Babe

The Easybeats

What do you want, babe?  
Make up your mind, babe  
I'm getting tired, babe  
You're so unkind, babe!

Go home baby, I don't want your love  
Said go home baby, I don't want your lovin'  
Feeling kinda fed up 'cause I'm sick and tired of messing with you

Get off my back, babe  
Leave me alone, babe  
I'm getting mad, babe  
Go a-home, babe!

Go home baby, I don't want your love  
Said go home baby, I don't want your lovin'  
Feeling kinda fed up 'cause I'm sick and tired of messing with you

Yeah, alright  
Yeah

What do you want, babe?  
Make up your mind, babe  
I'm getting tired, babe  
You're not my kind, babe!

Go home baby, I don't want your love  
Said go home baby, I don't want your lovin'  
Feeling kinda fed up 'cause I'm sick and tired of messing with you

Yeah, George!  
Yeah!

What do you want, babe? (I said go home baby)  
What do you want, babe? (I said go home baby)  
What do you want, baby? (I said go home, baby)  
What do you... want, baby? (I said go home baby)  
What do you want, baby? (I said go home baby)

Yeah, yeah!  
(I said go home baby)

What do you want, babe? (I said go home baby)  
What do you want, baby? (I said go home baby)  
What do you want, pretty baby? (I said go home, baby)  
What do you want, baby? (I said go home baby)  
What do you want, baby?

I'm sick and tired of messing with you
