

Charge The Guns

The Eighties Matchbox B-Line Disaster

Get up, you fuck and do what you can
It's time to get up, you gotta fight like a man
Your country needs you, you gotta put down those toys
It's time to prove now that you're a man not a boy
So get up you stupid fuck, you've gotta do what you can
It's time to get up, you've got to fight like a man
Your country needs you, you've got to get up and fight
I said you've gotta get up, you've gotta fight, fight, fight

Wow! Feel my tomahawk again. Come on man! Charge!
Wow! Feel my tomahawk again. Come on man! Charge!

I said get up you fuck and do what you can
It's time to get up, you've gotta fight like a man
Your country needs you, you've gotta put down those toys
It's time to prove now that you're a man not a boy
So get up you stupid fuck, you've gotta do what you can
It's time to get up, you've got to fight like a man
Your country needs you, your country needs you

Wow! Feel my tomahawk again
Wow! Pin me into submission

Come on and die! Come on and die!
Come on and die! Come on and die!
Come on and die! Come on and die!
