

Giant Bones

The Eighties Matchbox B-Line Disaster

Hear me momma, here me now
Kill me momma, kill me now
Hear me momma, here me now
Why oh so biblical? Why oh so biblical?
Hear me momma, here me now
Kill me momma, kill me now
Hear me puppa, here me now
Why oh so biblical? Why oh so biblical?
Shut up and hear my song

Wah ooh
Wah ooh

Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song

Come and feel it up and down
Hear me momma, here me now
Kill me momma, kill me now
Why oh so biblical? Why oh so biblical?
Hear me momma, here me now
Hear me puppa, here me now
Come and hear my momma now
Why oh so biblical? Why oh so biblical?
Shut up and hear my song

Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
Ride is a city, with our song
