

See the Light

The Elected

You work too hard
you blew out your heart
and in the knees what you pray
give out today
and you don't know why you did it
seems so easy after that
rip your .. into ..and
I think .. to die I begin to see the light
you spoke so loud that you drown me out
and the words I finally share
got you unprepared
now you hope
you ...once to ..
I don't want to fight
I begin to see the light
...let us go.. inside
but if we got nine
maybe we will see the light

and the hope .. vanish the ..
maybe you were right
now that I see the light
.. tried
