

Man Enough To Be A Woman

The Electric Chairs

I got a transexual feeling,
It's hard to be true to the one that's really you.
I got a scandalous feeling,
It's hard to be true when they point and stare at you.
Conditioned to portraying the mask of masculinity.
Another blend of different shading.
I am what I am I don't give a damn.

Chorus: I wanna know, I wanna know, I wanna know, I wanna know.
I wanna know, I wanna know are you man enough to be a...woman?

Footprints on my window,
There's a man in my room he's riding a broom.
He took all my money.
The jerk made me hurt he looked like a baboon.
X-Y, X-X-Y gender identity, I got the power to be it.
But there's a voice in my head that will not be dead.

Chorus: I wanna know, I wanna know, I wanna know, I wanna know.
I wanna know, I wanna know Are you man enough to be a...woman?
Tell me Tell me, tell me.

I wanna know (x14).
Are you man enough to be a...woman?
Tell me.
