

UN-CON-TROLL-ABLE

The Electric Chairs

Loving you's a risk.
Like boys in blue who pose a danger.
Will you teach me to resist.
You got me now under your power.

When you get real close to me I'm,
Un-con-troll-able, un-con-troll-able.
When you do those things to me I'm,
Un-con-troll-able, un-con-troll-able.

The cat and mouse game that we are.
Fighting is what we adore.
I like to feel the beat.
It's better than a taste of honey.
When you kick me with your feet.
I don't need your pocket money.

When you move real close to me I'm,
Un-con-troll-able, un-con-troll-able.
When you do good things to me I'm,
Un-con-troll-able, un-con-troll-able.

I can't stand straight anymore.
Tell me what you want me for.
Baby I shake from your touch.
It's better than the thorns on the roses.
I'm glad that you're so butch.
I think it's what I heard this poses.
I'm filled with jealousy.
I break up when you touch another.
I want you just for me.
And don't you ????? out with another girl.

I love to feel the beat.
It's better than a taste of honey.
When you kick me with your feet.
Baby, I don't want no pocket money.

When you move real close to me I'm,
Un-con-troll-able, un-con-troll-able.
When you do those things to me I'm,
Un-con-troll-able, un-con-troll-able.

I can't stand straight anymore.
Tell me what you want me for.
Un-con-troll-able (x4)

When you do those things to me,
Un-con-troll-able, un-con-troll-able.
When you get real close to me I'm,
Un-con-troll-able, un-con-troll-able.
When you whisper in my ear.
Un-con-troll-able, un-con-troll-able.
When you do things - aah!
Un-con-troll-able, un-con-troll-able.
When you give me hope oh!
Un-con-troll-able, un-con-troll-able.

Un-control-able.
