

# Take Me Back

## The Emotions

Take me back  
Take me back  
Take me back

Take me back  
Take me back  
Take me back again

I know it seems impossible  
But try to love me  
I know you can  
And if you fall in love with me, baby  
I'll never run around on you again

It's just the thought of you being gone  
Faded memories of you linger on  
And everytime I see your face  
I wanna make love  
Yes I do

Take me back  
Take me back  
Take me back

Take me back  
Take me back  
Take me back again

I know I broke your heart  
And I tore your dreams apart  
And if there's anything  
Anything  
This girl must do  
Don't you know I'm  
Gonna make it up to you?

And it's just the thought of you being gone  
Faded memories of you linger on  
Everytime  
Everytime I see your face  
I've got to make love  
I've got to make love

I wanna be yours  
Take me back  
I've got to be yours  
Take me back

Take me back  
Take me back  
Take me back again

I've got to be yours  
Take me back
