

# Robot Man

The Epoxies

Crave communication  
See me this is my life in the crazy robot man reservation  
Do you feel him, the cold vibration  
'Cause a man everywhere, produce a crazy science fiction creati  
on  
And I say oh, oh  
I'm a robot man  
And I say oh, oh  
I'm a loser  
I say oh, oh  
I'm a robot man  
I lost my mind  
I lost my life  
I lost my soul  
Babe, it's a magic station  
Where we live what we do with our magic from my generation  
I say babe, it's not a vision  
It's reality, this is a robot scene what we live in.  
And I say oh, oh  
I'm a robot man  
And I say oh, oh  
I'm a loser  
I say oh, oh  
I'm a robot man  
I lost my mind  
I lost my life  
I lost my soul  
And I say oh, oh  
I'm a robot man  
And I say oh, oh  
I'm a loser  
I say oh, oh  
I'm a robot man  
And I say oh, oh  
I'm a loser
