The Ergs!

I would bet my life that you're never gonna call me
I would bet my life that I'll end up being lonely

But it's just as well I guess
It would only leave a mess
It's just as well I guess

I could talk all night but its 11:55 and you're 7 days behind me
I could talk all night but it's useless and a waste
'cause you'll probably never see me again

But it's just as well I guess
It would only leave a mess
But I love you I confess
