

Do You Love Me

The Everly Brothers

Do you love me
Make up your mind
Do you need me
For real this time
My darling can't you see
You mean more than life to me
Do you love me
Do you love me
I'm giving up
This heart can't stand
To live its life
At your command
Love, it's gotta give
You've gotta let me know
Before I fall some more
Do you love me
Do you love me
Love, it's gotta give
You've gotta let me know
Before I fall some more
Do you love me
Do you love me
