

I Used to Love You

The Everly Brothers

I used to love you, not so long ago
I use to love you
But I can't pretend that I don't know
Whenever I turn my back to go
You're beatin' down somebody else's door
And in my misery
I let you torture me
I used to love you
But I don't love you anymore

I used to kiss you, I used to really care
I used to kiss you
But you don't want to treat me fair
I just don't like to be treated so mean
And you're the meanest thing I ever have seen
I'm through with you
So long, farewell, adieu
I used to love you
But I don't love you anymore

I can't stay with you
The thing to do is run away from you
I don't wanna play the game
The rules don't stay the same
I'm always the one to lose

I used to love you, not so long ago
I use to love you
But I can't pretend that I don't know
Whenever I turn my back to go
You're beatin' down somebody else's door
And in my misery
I let you torture me
I used to love you
But I don't love you anymore

No more, No more
No more
No more
No more
No more
No more
No more
No more (No more)
No more (No more)
No more (No more, no more...)
