

I Want You to Know

The Everly Brothers

I want you to know
I love her so well
I love her so much
I can never, never tell her
Oh boy
Yeah-eh-yeah oh boy
Oh-oh
I love to hug her in the mornin'
Kiss her 'til the dawning
Don't you know
Whoa-oh

Can't you see
What she does to me
She keeps my poor heart
In misery
Oh boy
Yeah-eh-eh Oh boy
Oh-oh
I love to hug her in the mornin'
Kiss her 'til the dawning
Don't you know
Whoa-oh

I want you to know
I love her so well
I love her so much
I can never, never tell her
Oh boy
Yeah-eh-yeah oh boy
Woh-oh
I love to hug her in the mornin'
Kiss her 'til the dawning
Don't you know
Whoa-oh

Can't you see
What she does to me
She keeps my poor heart
In misery
Oh boy
Yeah-yeah-yeah oh boy
Oh-oh...
