

Release Me

The Everly Brothers

Please release me, let me go
I just don't love you any more
To live together is a sin
Release me and let me love again

I have found a new love, dear
And I'll always want her near
Her lips are warm, while yours are cold
Release me, please darling let me go

Please release me, let me go
I don't love you any more
To live together is a sin
Release me and let me love again
