

## See See Rider

The Everly Brothers

See see rider see what you have done  
See see rider see what you have done  
You made me love you now your man has gone

See see rider I won't be back 'til fall  
See see rider I won't be back 'til fall  
If I find me a new girl I won't be back at all  
See see rider the moon is shinning bright  
See see rider the moon is shinning bright  
If I could just walk with you everything would be alright

See see rider see what you have done  
See see rider see what you have done  
You made me love you now your man has gone
