Somebody Help Me

The Everly Brothers

Somebody help me yeah Somebody help me now Won't somebody tell me What I've done wrong

When I was just a little boy, 17 I had a girl she was my queen She didn't love me like I loved and now I know Now I'm so lonesome on my own

Somebody help me yeah Somebody help me now Won't somebody tell me What I've done wrong

I need someone in my life I need a girl to hold me tight Someone who can make me feel Make me feel alright

Somebody help me yeah Somebody help me now Won't somebody tell me What I've done wrong

Somebody help me yeah Somebody help me now Somebody help me yeah Somebody help me yeah Somebody help me now Somebody help me yeah Somebody help me now
