The Brand New Tennessee Waltz

The Everly Brothers

My but you have a pretty face You favour a girl that I knew I imagine that she's still in Tennessee And by God I should be there too I've a sadness too sad to be true

When I leave it'll be like I found you love Descending Victorian stairs I'm feeling like one of your photographs Trapped while I'm putting on airs And getting even by asking who cares

At the brand new Tennessee Waltz You're literally waltzing on air At the brand new Tennessee Waltz There's no telling who will be there

But I left Tennessee in a hurry dear The same way that I'm leaving you
